## A CLUB OF THE COMMUNITY

Moneygall FC, founded in 1978 has emerged as a community driven football club in the small rural community of Moneygall in Co Offaly. With humble beginnings, the club steadily grew in stature introducing schoolchildren's teams in the 1980's and growing each decade after. Over the years, Moneygall FC has navigated various leagues, cups and competitions while showcasing both a competitive spirit and a commitment to developing grassroots talent. Purchasing and developing our own grounds opening in 2017, ensured we continued to advance and expand opportunities for the community to enjoy the beautiful game and our amenities. The clubs rich history is woven with memorable matches, dedicated players and volunteers with an unwavering community support that helped us become the club we are today.
